

AGENDA – Croton Sustainability Comm. – 10:30 AM **SUNDAY** Oct. 16, 2016 - 221 Cleveland Drive

Non-members wishing to attend are asked to RSVP to energywiz@aol.com to verify meeting date, which may be adjusted to meet committee member requests.

Old/ongoing business:

Quick updates/holdovers/follow-ups/status of:

- microgrid project (analysis of study, possible stakeholder meeting, Con Ed resiliency efforts)
- energy audit of Muni Bldg (could be part of CEC grant effort, see “ongoing business” below)
- home boiler gas conversion project (notifications sent to groups A and C, cluster meetings)
- Muni Bldg boiler conversion (RFP finally went out to contractors, bids to be opened Nov. 3)
- Green Community meeting (option for online page instead of live meeting?)
- Plastic bag ban efforts (next steps re: CCI meeting, HV Chamber of Commerce)
- Electric Vehicles [EV] (not at car show; maybe next year; possible panel discussion?)

New/ongoing business:

1. moving ahead on possible Clean Energy Communities (CEC) grant + Newburgh meeting report
2. meeting with Cons. Advisory Council (CAC) & draft memo on cooperation; Niall on composting
3. communication issue with Village staff
4. review of home heating options for web posting
proposal to create project manager structure to organize efforts
6. recruiting new team members/participants [ongoing agenda item]; Matt tabled at CET Fall Festival

Set next meeting date: Sunday November 13 10:30 AM?
