## Harmon Area Water and Sewer Service Line Replacement Application

**Instructions:** Complete the information below. Indicate each item (water service line, sewer service line) proposed to be replaced. All inspection fees will be waived during the Harmon Area water main replacement project time frame except for sewer line replacements fees which will be waived up to street resurfacing. A blanket bond (required from the contractor) for any proposed street openings (sewer line replacement only) will be accepted for all work the contractor is performing in the entire Harmon Area water main replacement project area.
